#### **Voice Mail Administration Features**

ENTER VOICE MAIL ADMINISTRATION

- Dial the voice mail pilot number \_\_\_\_\_
- Enter your mailbox number \_\_\_\_\_\_

Once You Are In Your Mail Box (If You Have Administration Rights) Perform the Following Steps:

#### ENTER ADMINISTRATIVE MENU

Press 72 . . . . . to access the system administrator menu

**Note:** The following administrative features are only available at the system administrator's extension (extension 101 at default). Ask your NEC authorized supplier for details on how to become a system administrator.

#### TO RECORD AN INSTRUCTION MSG

- From the system administrator menu:
- Press 4 . . . . . to enter the instruction message menu
- Enter the mailbox number (001 ~ 032)
- Press 5 . . . . . to listen to the message
- Press 7 . . . . . to record a new message
- Press 3 . . . . to delete the message
- Press # ...... to return to the system administrator menu

**Note:** Instruction menu messages are used as the automated attendant main greetings(e.g. day mode greeting, night mode greeting, holiday mode greeting, etc.)

#### TO RECORD AN ANNOUNCEMENT MSG

- From the system administrator menu:
- Press 2 ..... to enter the announcement message menu
- Enter the mailbox number (001 ~ 032)
- Press 5 . . . . . to listen to the message
- Press 7 . . . . . to record a new message
- Press 3 ..... to delete the message
- Press # ..... to return to the system administrator menu

**Note:** Announcement menu messages are used to announce general information to callers such as directions, hours of operation, etc.

#### DISTRIBUTION LIST SETUP

- From the system administrator menu:
- Press 5..... to enter the distribution list menu
- Enter the mailbox number (001 ~ 032)
- Press 6..... to review or modify the list
  - Press 2.... to add an extension to the distribution list
  - Press 3..... to delete the current extension from the distribution list
  - Press 6.... to stepto the next entry in the distribution list
  - Press #..... to exit this feature
- Press 76 ..... to record a name for the distribution list
  - Press 5.... to listen to the name of the distribution list
  - Press 7.... to record the name of the distribution list
  - Press 3..... to delete the name of the distribution list
  - Press #..... to exit this feature
- Press # . . . . . . to return to the system administrator menu

**Note:** A distribution list is a list of extensions set to receive a single voice mail message. Any message left in the distribution mailbox will be sent to all extensions in the list.

#### SUBSCRIBER MAINTENANCE

- From the system administrator menu:
- Press 7 . . . . . . to enter subscriber maintenance
- Enter the extension number you wish to modify
- Press 32 ..... to delete all the messages in the mailbox
- Press **34**..... to delete the mailbox greeting
- Press 36 ..... to delete the mailbox name
- Press 7 . . . . . . to delete the security code of the mailbox
- Press 6 . . . . . . to record a new mailbox name
- Press #..... to return to the system administrator menu

#### ANSWER SCHEDULE OVERRIDE

- From the system administrator menu:
- Press 6 ..... to enter the answer schedule override menu
- Enter the mailbox number (01 ~16)
- Press 6 . . . . . . to toggle ON/OFF the answer schedule table
- Press **2** ..... to enter a new answer schedule override mailbox.
  - Enter the override mailbox number (001 ~ 032or a valid extension)
- Press # ..... to return to the system administrator menu

**Note:** Answer schedule override provides alternate answering for the automated attendant by sending calls to a specified override mailbox (when enabled). As an example you can use the answering schedule override to provide holiday and bad weather closing announcements.

#### MAILBOX ANNOUNCEMENT MESSAGE

- From the system administrator menu:
- Press 3 ..... to enter the mailbox announcement message menu
- Press 5 . . . . . . to listen to the mailbox announcement message
- Press 7 ..... to record the mailbox announcement message
- Press 3 ..... to delete the mailbox announcement message
- Press 2 . . . . . . to specify the amount of days the mailbox announcement message is active for
  - Press \* for an indefinite amount of days, or enter **01 ~ 99** days
- Press # ...... to return to the system administrator menu

**Note:** The mailbox announcement message is played to each subscriber when they log into their mailbox. This message will play each time the user logs into their mailbox until it expires, is deleted, or is made inactive by the system administrator.

#### **VOICE MAIL VERSION**

- From the system administrator menu:
- Press 8 . . . . . to hear the current voice mail version
